

Breakfast Cake

In one mixing bowl, stir together:

3 cups flour

1 ½ cups sugar

4 tsp baking powder

½ tsp salt

In another bowl, stir together:

2 beaten eggs

1 cup milk

½ cup oil (I usually use closer to ¼ cup)

1-2 tsp vanilla (optional)

Combine the two bowls and mix well to form a batter.

Streusel:

Combine -

8 Tbsp brown sugar

4 Tbsp flour

4 tsp cinnamon

Mix well, and then cut in 4 Tbsp butter or margarine until mixture is crumbly.

Pour 2/3 of the batter mixture into a greased 9x13 pan. Cover with about half of the streusel mixture, then dollop with remaining batter, and cover with streusel again.

Bake at 375 about 30 minutes or until cooked through.
